### USEF FEDERATION ENTRY AGREEMENT

By entering a Federation-licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation") and the local rules of the competition. I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the Competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See GR908.4.

**Entries.** (1) Enter online if you wish to pay by credit card OR (2) Fill out the official entry form and mail or hand-deliver to the show secretary along with full payment (check or money order payable to DONIDA FARM, US funds) and all documentation. Refunds will not be given to exhibitors evicted for cause.

All changes will be posted on the announcement board at the office and the appropriate announcements made during the competition. Classes with no entries by closing date may be cancelled. The reason for the request must be stated. The gate hold will be a maximum of three (3) minutes. Gate holds are only allowed for group classes; "...in classes where horses compete individually, failure to check in with the Paddock Manager or to enter the competition arena at the assigned time will result in elimination."* [GR831.1]

*When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued.*

- Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate.*
- If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded.*
- Once the first horse has entered the in-gate, a steady stream of horses must be maintained.*
- Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed and judging will commence.*
- A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between)*
- Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.*

**Disputes not covered by the rules.** This horse show is conducted in accordance with the rules of the US Equestrian Federation and the Arabian Horse Association. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Horses (or Equitation riders) qualifying after close of entries, see Entries, Late Qualifying.

Exhibitors are responsible for ascertaining their qualifications. Please make certain that you have enough qualification points for the classes you enter and complete a Qualification Record Form for each horse entered. Do not enter a championship class until your horse is qualified. No refunds will be made for improperly entered classes.

**Refunds.** Entries cancelled prior to the show's closing date will be fully refunded except for the Office Fee. Entries cancelled after closing date due to illness or injury require presentation of a doctor or veterinary statement (on official letterhead) for refund. The certificate must be received by the show secretary no later than noon of the day prior to the start of competition; such refund will include 50% of class fees, 50% of stabling fees and 100% of all other fees except the Office Fee, which is non-refundable. No refunds will be made if notice of cancellation is received later than noon of the day prior to the start of competition. No refunds will be made if the entry is a no-show. To retain entries, fees plus penalty must be paid by money order, cashier's check or cash within 7 days of notification. Entries received without valid payment will not be processed until full payment is received and will be subject to post entry penalties if payment is postmarked after close of entries. Show packets will not be released until all debts are settled. In the event a check is returned by the bank after the completion of the show, it will be handled in accordance with USEF GR913.

**Scoring Errors.** If a mathematical scoring error on the score sheet is discovered, it must be reported to Show Secretary within one hour of the official posting of the scores from the last scored class of that competition day the error will stand with no change in class placings.

**Scratched Classes.** After the close of entries, canceling a horse's entry in one or more classes is a 'scratch'. No fees will be refunded. Please scratch horses with the Show Secretary prior to the class to avoid penalty. If you don't show up for an assigned ride time, this Competition reserves the right to scratch you from all remaining dressage rides and offer them to other exhibitors. If you are unable or choose not to ride, notify the secretary immediately.

**Sweepstakes classes, [\$\$ in class title],** are open to all horses, however, prize money will be won only by horses enrolled in the Arabian Breeders Sweepstakes program.

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This competition  
is recognized by  
USDF  
for 2018**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

#### Exceptions:

- **Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.**
- **Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.**

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards, USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete at USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

## How to Qualify for a Regional Championship Class

### General Requirements

- For Equitation and Showmanship championships, it is the **RIDER/HANDLER** who must qualify; for all others, it is the **HORSE**.
- Qualifications for Region 4 Championships must have been earned within the region (including **SALUTE!** classes), or at a designated Region 4-qualifying show outside the Region 4 boundaries.
- **It's not too late!** Qualifications for this show must be earned between January 1, 2017 and the day before the desired championship.
- Qualifications must be earned in AHA-recognized competitions. Dressage, Hunter, Jumper, Hunter Hack and Carriage Pleasure Driving qualifications may also be earned at Open (USEF/EC/ADS) competitions by enrolling the horse in the AHA Open Show Program. See the AHA website, [www.arabianhorses.org](http://www.arabianhorses.org), for enrollment and results reporting forms, instructions and fees.
- Points, scores & placings earned in a Regional or National Championship may not be used to qualify for a Regional Championship.

### How many points does my horse need?

Most **REGIONAL** championships require 1 or 2 qualifying points. Some don't require any.

- **Carriage Pleasure Driving:** all championships—no qualification required, just enter before closing date.
- **Dressage,** from any test(s) of the level: Training-Third Level—2 points; Fourth Level & Above—1 point.
- **Equitation:** Dressage Seat, Hunter over Obstacles, Hunter not to Jump—1 point from a regular eq class, *not* an AHA Medal class.
- **Hunter/Hunter Hack:** Working Hunter, Hunter Hack—1 point.
- **Sport Horse In-Hand:** Half-Arabian/Anglo-Arabian Stallions, Open or ATH—1 point; all others—2 points.
- **Sport Horse Showmanship:** 2 points.
- **Sport Horse Show Hack:** any championship—1 point.
- **Sport Horse Under Saddle:** any championship—2 points.
- **Western Dressage: Intro & Level 3**—1 point. **Basic, Lvl 1 & Lvl 2:** *Regional & National qualifications waived for 2018.*

### How does my horse earn points?

- A horse/equitation rider/showmanship handler placing 1<sup>st</sup> -6<sup>th</sup> will earn 1 point for him/herself + 1 point for each entry below him. Examples: 1<sup>st</sup> place in a 12-horse class earns 12 pts; 2<sup>nd</sup> place earns 11 pts...6<sup>th</sup> place in that class earns 7 pts. Below 6<sup>th</sup> = 0 pts. 1<sup>st</sup> place in a 3-horse class = 3 pts; 2<sup>nd</sup> place = 2 pts; 3<sup>rd</sup> place = 1 pt.

### Substituting placings or scores for points

- **First or second place** earned in an AHA-recognized competition, regardless of the number of points earned, qualifies for a Regional Championship in that division. (Again, placings in Regional and National Championships can't be used.)
- Dressage horses may also qualify on **scores** earned in AHA-recognized or Open competitions; scores must be on record with AHA. Scores from any test(s) of the level: Training & 1<sup>st</sup> Levels, 2 scores, minimum 58%; 2<sup>nd</sup> & 3<sup>rd</sup> Levels, 2 scores, minimum 55%; 4 & Above, 1 score of at least 50%. (Scores earned in prior Regional and National Championship classes can't be used.)

### How do I 'spend' the points?

- **Points are valid for the remainder of the calendar year in which they are earned through the following year's Regional and National Championships.** You must have enough valid points for all the championship classes you wish to enter at one show, but points may then be 're-used' at future Regional and National Championship shows until they expire.
- Qualifications must be earned in the same **division** as the championship(s). Hunter, Hunter Hack & Jumper are all different divisions, as are Sport Horse In-Hand, Under Saddle & Show Hack. Each Level of Dressage is a different division for qualifying purposes.
- Points/scores/placings for an Amateur championship must have been earned with an Amateur rider/driver/handler (junior or adult). Qualifications for a JTR Championship must have been earned with a Junior riding. Note that, except in equitation championships, the qualifications can be earned by a different Amateur or Junior than will ride/handle in the Championship class, because the qualifications belong to the horse, not to the rider. (Equitation riders/showmanship handlers may qualify with a different *horse*.)
- Points earned with an Amateur rider/handler/driver, whether in an Open or an Amateur class, may be used for either Open or Amateur Championships, or split across both.  
**Example:** Your Junior horse was ridden by an Amateur in a Sport Horse Under Saddle class (*any* SH U/S class) at an AHA show within the region last year. It was an eight-horse class, and they placed 3<sup>rd</sup>, so your horse has 6 points. You can use two of those points for the Sport Horse Under Saddle Jr Horse Championship and, because the points were earned by an Amateur, two more for the ATR Championship. You have two points left over to enter the Sport Horse Under Saddle Open Championship, too!

### Deadlines and post-entry fees

- If your horse (or equitation rider or showmanship handler) qualifies for a championship prior to the closing date but you do not enter the championship until after the closing date, you must pay the post-entry fee.
- If your horse (or equitation rider or showmanship handler) does not qualify until after the closing date—for example, in a **SALUTE!** ('pre-show') class—post-entry fees will *not* apply, so long as you enter **BEFORE NOON** of the day following qualification.
- **If your horse is not yet qualified for a championship, do not enter it!**  
**EXCEPTION:** Reserve a ride time in a Western Dressage or Dressage Championship.

Disclaimer It is always the exhibitor's responsibility to read and understand competition rules, including qualification requirements. This explanation is intended to provide general guidance; not to replace or amplify the governing rules of this competition as printed in the AHA Handbook. In the event of a conflict between this explanation and the governing rules, the Handbook prevails. Please note that National championships usually require more points, and sometimes higher scores, than Regionals.
